

HOLIDAY PROGRAM FOR PRIMARY 1 ~ PRIMARY 6

This June holidays, help your child take his/her linguistic abilities to the next level by signing him/her up for our English and Chinese Language Holiday Programmes. Taught by Stalford's star tutors, our holiday lessons are designed to be interactive, stimulating, and engaging, with the aim of rapidly improving language proficiency and fluency over the course of just one month. Students will be immersed in a meaningful language learning experience, that will not only help them score better in exams but also communicate more effectively in formal and social settings.

English Creative Writing & Comprehension (P1-6)

Students will acquire writing and reading skills to maximise their scores in composition and comprehension. They will learn to:

- Employ writing techniques such as Grabbers & Zingers
- Spice up language with idioms, similes, analogies and metaphors
- Analyse organisational patterns, make inferences and draw conclusions
- Compare and contrast ideas, concepts and topics

Chinese Creative Writing, Comprehension, Oral & Listening (P1-6)

Students will master techniques to excel at writing, comprehension, oral & listening in the latest PSLE format. They will learn to:

- Use various literary devices such as idioms, proverbs, adages, similes and metaphors
- Extract answers from passages and rephrase in own words
- Make astute observations and voice opinions confidently, using in-house created audio & videos for oral & listening practice
